Robert Owen and his Legacy

Chris Williams 2011

For each age there is a new view of Mr Owen, which is proof of the fertility and continuing relevance of his ideas. Not just in Britain and America but today around the world anti-poverty campaigners, trade unionists, socialists, social reformers, activists, welfare reformers can all find something to admire and aspire to in the thought and action of Robert Owen. Owen was a creative genius of global significance, a radical thinker and activist of international reputation and reach who has inspired those seeking to change human society for the better. The contributors to this volume include not only many of the recognized and well-known Owenites, but others who have been overlooked or neglected in previous studies. From his work as an employer, a politician, a poet, a writer and a thinker, the contributions of the contributors in this volume reflect his genius of global significance, a radical writer and activist of international reputation and reach who has inspired those seeking to change human society for the better. The contributors to this volume include not only many of the recognized and well-known Owenites, but others who have been overlooked or neglected in previous studies.
