The Dhammapada: Lakshma Shastri Tailang 1906

The Dhammapada: One of three new editions of the books in Eknath Easwaran's Classics of Indian Spirituality series "As irrigators guide water to their fields, as archers aim arrows, as carpenters carve wood, the wise shape their lives." - Dhammapada (145)...

Dhammapada means "the path of dharma," the path of truth, harmony, and righteousness. Capturing the living words of the Buddha, this much-loved scripture consists of verses organized by theme: thought, joy, anger, pleasure, and others. The Dhammapada is permeated with the power and practicality of one of the world's most appealing spiritual teachers. Rejecting superstition on the one hand and philosophical speculation on the other, the Buddha taught the path to the end of suffering and showed how we can achieve lasting joy. He spells out our choices with a refreshing realism and frankness. And he insists that we be spiritually self-reliant: "All the effort must be made by you. Buddhhas only point the way." Easwaran believed that we need nothing more than the Dhammapada to follow the way of the Buddha. His main qualification for interpreting the Dhammapada, he said, was that he knew from his own experience that these verses can transform our lives. In his interpretation of Buddhist themes, illustrated with stories from the Buddha's life, Easwaran offers a view of the concept of Right Understanding that is both exhilarating and instructive. He shares his experiences on the spiritual path, giving the advice that only an experienced teacher and practitioner can offer, and urges us to answer for ourselves the Buddha's call to nirvana — that mysterious, enduring state of wisdom, joy, and peace.

Dhammapada-Nārada (Maha Thera.) 1946

Sutta-Nipata-Dines Andersen 1997

Eknath Easwaran 2013 In this companion to his best-selling translation of The Dhammapada, Eknath Easwaran explains how The Dhammapada is a perfect map for the spiritual journey. Said to be the text closest to the Buddha's actual words, The Dhammapada is a collection of short teachings that his disciples memorized during his lifetime. Easwaran presents The Dhammapada as a guide to spiritual perseverance, progress, and ultimately enlightenment — a heroic confrontation with life as it really is, with straight answers to our deepest questions. We witness the heartbreak of death, for instance — what does that mean for us? What is love? How does karma work? How do we follow the spiritual life in the midst of work and family? Does nirvana really exist, and if so, what is it like to be illumined? In his interpretation of Buddhist themes, illustrated with stories from the Buddha's life, Easwaran offers a view of the concept of Right Understanding that is both exhilarating and instructive. He shares his experiences on the spiritual path, giving the advice that only an experienced teacher and practitioner can offer, and urges us to answer for ourselves the Buddha’s call to nirvana — that mysterious, enduring state of wisdom, joy, and peace.

The Power of Now - Eckhart Tolle 2010-10-06
To make the journey into the Now we will need to leave our analytical mind and its false creation, the ego, behind. From the very first page of Eckhart Tolle's extraordinary book, we move rapidly into a significantly higher altitude where we breathe a lighter air. We become connected to the indestructible essence of our Being. "The eternal, ever present One Life beyond the myriad forms of life that are subject to birth and death." Although the journey is challenging, Eckhart Tolle uses simple language and an easy question and answer format to guide us. A word of mouth phenomenon since its first publication, The Power of Now is one of those rare books with the power to create an experience in readers, one that can radically change their lives for the better.

The Dhammapada - Acharya Buddharamkitha 2008-12-01
The most beloved Buddhist classic of all time, the Dhammapada is an anthology of over 400 verses on the ethics, meditation, and wisdom of Buddhism. This translation by a long-term student of the work transmits the spirit and content as well as the style of the original. Includes the original Pali text. With introduction by Dhammadhita Bodhi.

The World's Great Classics Comprising a General Index, a Subject Index, and a Chronological Index - 1902

A Pada Index and Reverse Pada Index to Early Jain Canons - Moriichi Yamazaki 1995
A Pada Index and Reverse Pada Index will help scholars analyze the early Buddhist canonical texts and produce critical editions of these texts. The indexes will facilitate systematic textual analysis of vocabulary, structure, meter, etc. This index is unique in that the authors used computers to process and analyze a huge volume of data from these early sources.
