James Shapiro 2007-12-18 The Bavarian village of Oberammergau has staged the trial, crucifixion, and resurrection of Christ nearly every decade since 1634. Each production of the Passion Play attracts hundreds of thousands, many drawn by the spiritual benefits it promises. Yet Hitler called it a disgusting portrayal of the menace of Jewry, and in 1970 a group of international luminaries boycotted the play for its anti-Semitism. As the production for the year 2000 drew near, James Shapiro was there to document the newest wave of obstacles that faced the determined Bavarian villagers. Erudite and judicious, Oberammergau is a fascinating and important look at the unpredictable and sometimes tragic relationship between art and society, belief and tolerance, religion and politics.

The Passion Play: Rob Fuquay 2019-07-02 With few exceptions, the Oberammergau Passion Play has been presented by the inhabitants of the village of Oberammergau, Bavaria, Germany every 10 years since 1634. The play is a staging of Jesus’ Passion story, covering the final period of his life from his visit to Jerusalem to the journey to the cross. In his new book and study, The Passion Play: Living the Story of Christ’s Last Days, author and pastor Rob Fuquay follows the biblical story of the Passion and how it has been experienced through the centuries against the backdrop of this amazing play. Perfect for Lent, this study takes you on a journey to the origins of the Passion Play and helps you understand how the play has been used both as a ritual of praise and later as a weapon through its anti-Semitic past. The book and study help readers and small groups feel a sense of connection to the play while recognizing their own place in the story of Jesus. Additional components for a six-week study include a DVD featuring Rob Fuquay filmed on location in Oberammergau, Germany and a comprehensive Leader Guide.
