Indonesian Destinies

**Indonesian Destinies** Theorised Friend 2009-07-01 How can such a people as we be so numerous? is a promissory note. This book asks that question—and the answers of the archipelago's vast and varied communities that together form Indonesia. It explores the history, development, and contemporary situation of Indonesia, looking at the forces that have shaped the country from its earliest days to the present. The book examines the political, social, economic, and cultural factors that have contributed to the development of Indonesia, and considers the impact of these factors on the country's future. It is an essential read for anyone interested in understanding Indonesia and its role in the world.
