critical challenge us not to give up on moral thinking in our day but to take seriously the abundance of good ideas in ethics that ... struggles by applying to such trials the lasting quality of foundational thought. Many of the root values to which they appeal are cross-cultural, even universal. Deconstructing these five ethical perspectives to ethical theory, more than two dozen moonts' provides today's communicators with a solid grounding of key ideas for improving decisions and sustaining social progress in their live and work. These profiles convey the diversity of decision to personal and societal behavior through worldwide ideas that truly make ethics comes alive.

Entertaining Ethics Chief Theater 2021-03 An accessible and imaginative approach to ethical theory, this book examines core concepts like truth telling, loyalty, privacy, public service, media ethics, social justice, advocacy, and accountability through the lens of popular films, television shows, and music.

Media Ethics (Grae Flanzy 1999) This well-researched text integrates information regarding historical perspectives of the media, journalism and ethics issues, and includes current discussions concerning the function of media in society, the role of critical thinking in journalism, and a variety of issues such as issues of power and responsibility. The book addresses these issues through real-world examples and case studies. Media Ethics focuses on theoretical frameworks as well as on practical implementation and how to integrate the two.

Murder in Our Midst-Bonnie Smith Pulferin 2020-12-18 As immigration, technological change, and globalization reshape the world, journalists play a central role in shaping how the publics assess the world and make sense of it. In this era of great change, journalists are called upon to challenge the conventional wisdom that has long dominated the media landscape. This book explores the role of journalists in this new world of information and communication technologies and highlights the ethical challenges they face.

Journalism Tim P. Vose 2019-05-27 This volume sets out the state-of-the-art in the discipline of journalism at a time in which the practice and profession of journalism is changing. While journalism is still rooted in its history, change is inevitable in the field. The profession, and the era in which it is practiced, is constantly evolving. Moreover, the ethical challenges that journalists face today are not the same as those faced in the past. The book highlights the ethical challenges that journalists face today and provides practical guidance for navigating these challenges.

Ethical Issues in Journalism and the Media Andrew Belsey 2002-06-11 This book examines the ethical concepts which lie at the heart of journalism, including freedom, democracy, truth, objectivity, honesty and privacy. The common concern of the authors is to promote ethical conduct in the practice of journalism, as well as the quality of the information that readers and audience receive from the media.

Media Ethics Media Ethics and Global Justice in the Digital Age-Clifford G. Christians 2019-03-31 Presents a new theory of media ethics that is explicitly international.
