Introduction To Aesthetic Anthropology

Alanna's valuable time in the field provided her with the unique insight needed to publish a book on the aesthetics and practices of visual anthropology. In my Part 1 module, World Cultures: An Introduction to Social Phenomenology in Anthropology: A sense of perspective, you’ll approach visual anthropology through the study of the politics and aesthetics of representation. This module offers an introduction to theoretical debates and methods of digital anthropology.

Subcultures - Introduction To Consumer Behaviour

The body modification community extends aesthetic additions to the human body, such as tattoos, piercings, and certain forms of plastic surgery. In Canada and the United States, adolescents often form subcultures to develop a shared purposeful identity. Alcoholic Anonymous offers support to those suffering from alcoholism, but even as members of a subculture band together, they still interact with and seek the support of others outside their subculture. In this course, you will explore how subcultures are formed, and how they function and develop. We will examine how subcultures are formed, how they interact with one another, and how they interact with the larger society.
