Pastoral And The Academic Conflict And Abdication In The Curriculum

The Pastoral and the Academic: Power and Policy
One of the most widespread and significant debates in education has been the tension between pastoral care and academic performance. However, while the academic demands on students can be considerable, pastoral care is an essential aspect of their overall development. It is crucial for students to feel supported and valued in their learning environment. This book explores the complexities of this relationship and offers strategies for fostering a harmonious balance between academic and pastoral needs.

The Pastoral and the Academic: Power and Policy
The book argues that pastoral care and academic performance are not inherently contradictory but can exist in a symbiotic relationship. It presents case studies and practical approaches to integrating pastoral care into academic settings, emphasizing the importance of a holistic approach to education.

The Pastoral and the Academic: Power and Policy
The authors contend that by acknowledging and valuing pastoral care, educators can enhance students' learning outcomes and overall well-being. The book provides tools and strategies for educators to effectively integrate pastoral care into their teaching practices, thereby creating a more supportive and inclusive learning environment.

The Pastoral and the Academic: Power and Policy
The book concludes with a call to action for educators to prioritize pastoral care as an integral part of their teaching. By doing so, they can help students navigate the complexities of their academic lives and create a more nurturing and fulfilling educational experience.

The Pastoral and the Academic: Power and Policy
In summary, this book offers a comprehensive guide for educators to understand and implement pastoral care in their academic settings. It is a must-read for anyone involved in education, from policymakers to classroom teachers, as it highlights the importance of balancing academic and pastoral needs for student success.
settings such as internship or field education, for vocational inspiration at staff meetings, and in ordinary classrooms that prioritize teaching ministry as a practice.

Conflict Transformation in the Family-Knellie A. Auyeung Mangas 2013-07-10

The Challenges of Pastoral Ministry Rev. Wiliigmpa Charles 2010-11-30 This book on the "Challenges of Pastoral Ministry" is a practical and educational guide that aims to assist and motivate pastors who are already at work in the Vineyard of the LORD as Church leaders, on the occasion to face, with the help of the Holy Spirit, the enormous challenges of their ministerial task in a careful and thoughtful way. They need also to address them with courage and determination. This book also seeks new leaders, by providing them answers on what awaits them as ministers. Pastoral ministry is a very demanding work that should not be taken lightly but it is a commitment and a responsibility that must be accepted with seriousness. This book will be helpful to every leader.

Pastoral Care in the Small Membership Church-James L. Killen, Jr. 2005-01-01 An introduction to pastoral care for pastors of small membership churches. "If you spend your whole life serving small membership churches and doing it well, you will have been a life well spent." Small membership churches have a real advantage when it comes to incorporating people into a fellowship where they are known and where their needs are met. These churches and their pastors have an opportunity for excellence in this area, and should make the most of it. Good pastoral care can be the key to effectiveness in all of the other ministries of the church. From getting acquainted with your congregation, weddings and funerals, picking up on subtle cues in a conversation to notice sexual conflicts, Killen shares insights from years of leadership in a small membership church setting. James L. Killen, Jr. is a retired editor of the Texas Conference, contributor to Circuit Rider, and author of Who Do You Say That I Am? A Personable Reader.

Pastoral Theology from a Global Perspective-Debra S. Wills 2005-01-17 Multicultural and global in design, "Pastoral Theology from a Global Perspective" brings concrete and applicable resources to Christians around the world who are struggling with problems of pastoral care. This practical, easy-to-use approach to pastoral theology is designed to hone pastoral skills in five central areas: the role of women in society and church; engineering marginalized peoples; economic justice and ecology; reconciliation and peacebuilding; caring for human needs. Fifteen case-studies, accompanied by teaching notes and case-studies, illustrate the diversity and complexities of pastoral care in different parts of the world. An ordained Indian woman assigned as an associate pastor is threatened by male church members who say she is not permitted to preach from the pulpit or serve the Eucharist; missionaries to Haiti face critical approval of new relationships with indigenous churches; a Ugandan pastor deals with violence and healing in a community struggling to recover from civil war.

Transboundary Pastoral Nomadism and Human Security in Africa- Richard Gnjamba 2011-10-30 This book examines the issues between political borders, pastoral nomadism, and human security in Africa. It has a wide ranging interdisciplinary approach to analyze social, political, cultural processes, circumstances, and consequences to observe the human security crisis in the context of climate change, inter-group relations, leadership strategies, institutions, and governance within the region. With a special focus on West Africa and Nigeria, the volume discuses cultural themes that highlight the role of the borders in the security architecture of the region which include: • Political economy of borders-farmers’ conflicts in the Sahel region. • Population, governance, urbanization, and pastoral violence in West Africa. • Human trafficking and begging for reasons in Nigeria. • Shrouds of ‘false’ migration of Fulani herders to China, and other regions. A key contribution to a pressing issue, this volume will be of interest to scholars and students of history, political science, anthropology, geography, international relations, literature, environmental science, and peace and conflict studies.

When Christ’s Body Is Broken: A Pastoral Theological Reflection-Leslie K. Fuller 2014-05-01 When Christ’s Body Is Broken tells the stories of two congregations in conflict. Although these churches had very different problems, they faced similar struggles. To articulate a faithful response to their concerns and to cope with the discord that threatened to tear their communities apart, Pastoral Theologian Leslie K. Fuller shares these stories as a way of exploring the sources and dynamics of conflict in congregations. She argues that at the heart of each conflict lies anxiety triggered by encounters with difference. Bringing together resources from pastoral theology, psychoanalytic theory, and social psychology, Fuller offers a theological reformation of conflict through categories of diversity, vulnerability, and hospitality—categories that, she argues, can encourage human beings to act with the anointed world and restore connections across differences. This rethinking provides fertile ground out of which Fuller imagines concrete practices designed for conflicted communities and their leaders.

We are Functionaries Rather Than Visionaries- G. D. N. Barry 2003-09-01

When the Word Leads Your Pastoral Search-Chris Bruner 2011-01-01 At any given time there are thousands of churches seeking a lead pastor. While a great resume, a friendly smile and a memorable sermon will convince many, what should local congregations focus on to find a new shepherd? Chris Bruner believes that to find a great preacher the search must focus on God's Word and how the candidate relates to it and preaches from it. This book is a must have resource for search committees and church leaders addressing the needs of churches in the transition of pastoral leadership. It assists by approaching their responsibilities in a biblical way and providing critical help to key practical matters. From the initial formation of a search committee to the final terms of agreement with the new pastor, Bruner shows how to "major on the majors" and focus on subjects of systematic evaluation of candidates and their careers. Great for both pastor or pastoral students to know how to prepare, the book includes actual practice interviews for questions for candidates and the top mistakes search committees make.
