The Original Language Of The Lukean Infancy Narrative

The Original Language of the Lukean Infancy Narrative was published in 2009. Jennifer Knust has long been convinced that the Gospel of Luke is not an abridgement of the earlier Gospel of Mark, as many scholars have assumed. Rather, she believes that Luke was a independent author who wrote his own Gospel. Knust argues that the Gospel of Luke is a more open and accessible text than the Gospel of Mark, and that it is more focused on the life and teachings of Jesus. Knust's work challenges the traditional view of the Gospel of Luke as a mere retelling of the Gospel of Mark, and offers a new perspective on the development of early Christianity.
